C-130		1			1
O-1		120			120
KC-130				1	1
Total	128	413	181	110	832

\*Total may vary because of policy. For example, the Air Force rotates C-130 squadrons in SVN and the Navy rotates carriers into and out of Southeast Asia waters. Also the Navy reassigns level of effort between support to SVN and NVN as the situation dictates. This report is as of 30 November 1965 and does not include Thai based aircraft.
